just 30 minutes north of the George Washington Bridge, but you feel like you are in a different world. Having a home in Tuxedo Park is like owning part of a great camp. The house we live in was built in 1900 by American architect John Russell Pope and is situated on nearly 120 acres overlooking Tuxedo Lake and backs up to the protected lands of Sterling Forest [State Park]."

DESIGN DISRUPTER

**THE CURATOR**

1stdibs founder Michael Bruno is at it again, lending his Midas touch to both revolutionizing the art world and revitalizing a community, all in one stylish swoop.

Turning his eye to the art market, 1stdibs founder Michael Bruno returns to the design industry with the launch of Art-Design-Carta ([artdesigncarta.com](http://artdesigncarta.com)), a private marketplace for art and design professionals. The site serves dealers wanting to share their latest discovery, as well as independent artists who wish to offer trade pricing. The invitation-only site is open to architects and designers, and lists the gallery and to-the-trade prices. We checked in with the Hudson Valley-based wonder—who also recently launched Tuxedo Hudson Company ([tuxedohudsoncompany.com](http://tuxedohudsoncompany.com)) to revitalize the region—on how he leads his design-filled life. *Phebe Wahl*
