July 13, 2016 | [Parties](#)

On Saturday, July 9, web and real estate entrepreneur, Michael Bruno, brought together local business owners, politicians, artists, and community leaders to showcase the bountiful produce, meats, and artisanal foods from the Hudson Valley. The event was in celebration of Yaddo, the historic mansion in Saratoga that serves as the spectacular centerpiece of the 400-acre artist community founded in 1900 by Katrina Trask, the wife of financier and philanthropist Spencer Trask.
